

## Technical Author

Windowmaker Software Ltd is a supplier of innovative and market-leading software for the window and door industry. Windowmaker solutions have been sold in over 75 countries.

We have an amazing opportunity for a fresher to join our Technical Documentation team to add values to our technical documentations.

**Eligibility:** Any graduate with excellent written and oral communication skills in English.

As a Technical Author you will be responsible for

- ▶ Create Technical documentation for the software
- ▶ Update the help file, update website content
- ▶ Create video demos of software
- ▶ Create other documentation required by sales or support team on demand.

## Skills required:

- ▶ Excellent Written and Oral English
- ▶ Techsavvy
- ▶ Logical/Analytic thinking.

If you are good in communication skills and wants to put your talent to great use – this is the opportunity you've been looking for!

A competitive salary, on-the-job training and great career prospects make this an opportunity not to be missed!
