

# Windowmaker Option Extras

## Overview

A facility to automatically identify and print the additional price of non-standard components.

## Benefits

### The Salesperson

- ▲ Gains the flexibility to provide details of Extras to the customer
- ▲ Provides better customer service by avoiding mistakes

### The Fabricator

- ▲ Enables adoption of any pricing strategy if used in conjunction with the [Pricing via Matrices](#) and [Special Customer Terms](#) option
- ▲ Ensures that Extras are not forgotten during pricing
- ▲ Reduces invoicing queries

## Features

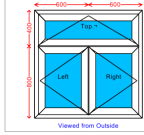

- ▲ The program can itemise Extras individually on quotations and invoices or despatch notes
- ▲ You can categorise 3 different Extras to apply different discount rates for each category (e.g. glass different to other Extras)
- ▲ Details of Extras with quantity, price and discounts applicable can be displayed in various [Customer Documents](#)
- ▲ The program allows you to:
  - △ Analyse Extras Separately for a Job, and
  - △ Modify Discounts for Extras and Systems via the Job Pricing page

## Related Options

- ▲ You need [Windowmaker Express](#) or higher
