

Windowmaker Option Global Changes

Overview

A facility to simultaneously apply changes to all or selected Sales Lines of a Sales Quote/Order or multiple Sales Quotes/Orders.

Benefits

The Fabricator

- ▲ Saves time to check for impact, and saves money by choosing the best combination of options.
- ▲ Gains ability to conduct 'what-if' scenarios for various parameters e.g. discounts for large Commercial Contracts.

E.g. Use mahogany foiled profiles for all windows and doors on front side of the house.

Features

You can

- ▲ Recalculate Sales Quotes/Orders for the current prices.
- ▲ Apply a different discount to all Sales Lines or the Sales Quote/Order.
- ▲ Apply a different mark-up to adjust Quote/Order value.
- ▲ Change System, Glazing and/or Options.
- ▲ Freeze (or unfreeze) the price and/or discounts for Sales Lines.
