

Windowmaker Option

Order Details

Overview

A facility to output detailed specifications for Sales Lines.

Benefits

The Fabricator

- ▲ Easily obtains information for each sales line in a sales order in a clear, distinct format along with scaled and dimensioned Sales Line graphics

Features

- ▲ You can output details of each Sales Line along with scaled graphic of the design
- ▲ The program can display Sales Line graphics in two modes:
 - △ Simple line graphics
 - △ High resolution detailed graphics
- ▲ The program can display for each Sales Line:
 - △ Sales Order and Sales Line numbers
 - △ Customer reference
 - △ Account number and name
 - △ System name and description
 - △ Design number and description
 - △ Overall size
 - △ Frame size
 - △ Glass type with description
 - △ Quantity
 - △ Location
 - △ Options selected
 - △ List of glazing sizes for panes having unglazed glass types
